Sir:

In response to the previous Office Action dated March 28, 2005, Applicants timely filed a Response together with a Petition For Extension Of Time on July 12, 2005. However, while the caption of the Response included the correct Application Number, a typographical error was made in one digit of this number in a heading on each page. This was kindly pointed out by the Examiner in the present Communication dated October 7, 2005, and a one month term for correcting this error was set.

Accordingly, the Applicants are now resubmitting their Response with the required correction. The remainder of this paper consists of a repeat of the Response of July 12, 2005.

The Examiner is respectfully requested to favorably reconsider the above-identified patent application for the following reasons:

The listing of claims begins on page 3 of this paper.
